從東區出發的作素等

本校於15/16年度慶祝65周年校慶,相信大家一定記憶猶新。適逢學校圖書館完成裝修,以全新面貌迎接開放日的嘉賓蒞臨,圖書館學會特意舉辦「讀者劇場:鯉魚門的霧」,以及「東區文學展」,以展示港島東區文藝的一面。

港島東區從前並非高收入階層的居住地,例 如筲箕灣阿公岩的木屋區,居住的都是草根 階層;愛秩序灣的棚屋區成了不少漁民、艇 戶的棲身之所;西灣河本來就是太古船廠工 人及家眷的聚居地。時至今日,縱使有太 古城之類的高級屋苑,寮屋、棚屋亦早已清 拆,但遊走於北角、西灣河、筲箕灣的大街 小巷,仍能感受到普羅大眾在此默默耕耘的 氣息。

所謂「山不在高,有仙則名;水不在深,有 龍則靈」,原來港島東區有不少出身並不富 裕,日後卻為人所共知的香港作家。本期《 喜閱》就為大家介紹當中數位,他朝一日或 許你也可成為其中一個成長於東區的作家, 達成自己的作家夢!

同學正在演出讀者劇場。

《鯉魚門的霧》 現於圖書館展出中,有興趣同學可到圖書館借閱。

港島東區作家巡灣

舒巷城(1921-1999),原名王深泉,祖籍廣東惠陽,是一個道地的文藝作家,其短篇《鯉魚門的霧》及長篇《太陽下山了》等小說,以西灣河、筲箕灣為故事背景,只有在這區長大的人才可以寫得出來。原來舒巷城父親在筲箕灣開了一家

士多,從小在士多幫忙,每日觀察 來往店中各色人等,聽見當中的人 事悲歡,為舒巷城日後的小說創作 提供素材。錯過了去年讀者劇場的 同學,不妨再讀讀舒巷城的小說, 感受一下從前筲箕灣的韻味呢!

「鯉魚門內筲箕灣的那個弧形的海灣,是和泰南街斜斜相對的。每天早晨,太陽從鯉魚門那一帶的山上昇起,然後慢慢向西爬行, 然後下沉。孩子們說,鯉魚門的太陽是全香港最大最美的太陽……」

張五常

舒巷城青年時的好友,還有香港著名經濟學家——張五常(1935-)。 一般人只知他的經濟學著作,特別是從前考高考經濟科的學生,無不細讀他的大作《科學說需求》。但對同學而言,他的散文或許更有親切感。在他的文章中,自敘了童年 時以釣技雄霸西灣河海域,又常逃學到柴灣泳棚游水,更曾經兩次被逐出校門!他筆下描寫童年時的家在西灣河的山上,平看蟾華上升,俯視鯉魚門海面的月影銀光,引發讀者對他的童年稚趣無限遐想……

「我當年的家是在太寧街對面的山頭——今天已不復存在的奧背龍村。……夏天時,到了傍晚,眾多的人一起在海旁納涼,有釣魚的,有下象棋的,有唱粵曲的,有聽『講古』的,還有高談闊論的。我到那裡一坐往往就是七、八個小時,直至深夜,母親就會派人『抓』我回家,有時罵一頓是免不了的。」

《太寧街的往事》 張五常

同樣出身筲箕灣的著名作家,還有近期十分火紅的陳雲(1961-)。陳雲是他的筆名,除了政治方面為人所認識外,其實他也有文學的一面。他於1995年在德國哥廷根大學獲得文史學

院哲學博士,又曾於樹仁學院及珠海書院執教西洋文學。2007年更憑《舊時風光——香港往事回味》獲第九屆香港中文文學雙年獎散文組首獎。

「太平餅乾廠在愛秩序街及寶文街文街交界,令該處洋溢餅乾香氣,餅 乾碎屑成包發賣,乃區內貧民恩物。明華大廈以西的金華街,有一家安 樂園餅乾廠,出產安樂園餅乾,味道類似梳打餅(saltine),兒童買來 蘸煉奶吃。」

陳繁昌

紮根於筲箕灣達65年的慈幼學校, 又怎會不育出一兩個文人呢?我們 的學兄——陳繁昌教授,現為香港 科技大學校長,雖稱不上是作家, 但他所寫的文章,也訴說了不少 成長故事。陳教授出身筲箕灣阿公 岩,苦讀成才,後來更獲獎學金遠 赴美國加州理工學院修讀本科及碩 士課程,並在史丹福大學攻讀博士。 留美四十年,歷任耶魯大學及加州 大學洛杉磯分校(UCLA)教授、美 國國家科學基金助理署長。陳教授 大半生尋找教研夢,對教育、科技 發展、培育年輕一代亦有獨到見 解,從他的最新著作《校長視野》 也可見一斑。

「上一代不少人確信『三歲定八十』,而這一代人人都認為『要成功 先要贏在起跑線上』,如果這兩句話是放於四海皆準的話,我這個成 長於筲箕灣阿公岩一個簡陋石礦場的平凡小子,應該不會成為學者, 更枉論能做大學校長,我的人生一直告訴我另一個故事。」

《校長視野》陳繁昌

另一位相信大家都認識的學兄作家,就是王貽興先生(1979-)了。 王學兄小學和中學皆就讀於慈幼, 高考以優異成績入讀香港中文大學 中文系,而且獲獎無數,曾於2001-

2002年以25歲之齡,憑小說《無城 有愛》獲得香港中文文學雙年獎(小說組),成為該獎自創立以來最 年輕的得獎者。

慈幼閱讀節-

科普閱讀

慈幼閱讀節至今已是第二屆,而本年的主題 為「科普閱讀」。一如往年,閱讀節之中包 括各式各樣的精彩活動,包括專題書展、作 家講座、問答比賽等,本年更與綜合科學科 合作,為大家推介小說《火星任務》,使得 同學增加科學知識之餘,亦提升對科普閱讀 的興趣。

慈幼閱讀節由2016年3月至7月期間進行。打響頭炮的是綜合科學科為大家介紹《火星任務》,原來當中不少內容都與課堂所學的知識息息相關呢!繼之而舉辦的「科普閱讀」專題書展中,《火星任務》亦榮登科普書銷售榜榜首,可見小說受同學歡迎的程度。當日除了黃穎心老師推介的《火星任務》外,亦有其他老師推介的科普書籍,例如文志韜老師推介的《空想科學讀本——科學也無法解答的超難題》、梁子聰老師推介的《邪惡植物博覽會》,都深受同學歡迎。書展當日更讓同學投票選出最受歡迎的老師推介書籍,並可參與抽獎、嬴取書券呢!

慈幼閱讀節之中當然少不了邀請作家到校進 行講座。今年我們有幸邀請到兩位作家,一 位是李廣冀中醫師為中一、二同學主講「中 醫巴打教你打造男神好體質」。李醫師著有 《熱血中醫》、《中醫巴打教你打造女神好 體質》等書籍,以生動活潑的手法,撰寫中 醫故事,並附以漫畫,讓讀者進一步了解中 醫行業和醫師的工作。當天同學都吸收了不 少日常少接觸的中醫知識。

另一位作家是現職飛機師的譚文豪先生。他主講的「飛行知識絕密曝光——飛行原理講座」生動有趣,解答了不少有關航空的冷知識,例如投身飛機師的途徑、飛機安全的實用資訊等,使同學獲益良多。如果有興趣於航空知識的同學,不妨到圖書館借閱他的著作《逆風飛揚——民航機師手記》。

本年的慈幼閱讀節更新舉辦了「空想科學問答比賽」,以廣受同學歡迎的《空想科學》系列為主題,展示於圖書館中,參加同學只需到圖書館閱讀「空想科學」系列書籍並尋找答案,各級答中最多題目的10位學生更得到了50元的書券獎勵呢!獲獎同學已於散學禮當日獲發書券。如果各位同學希望再參與如此獎品豐富又有趣的活動,就緊記留意來年慈幼閱讀節的各項活動了!

以文會友 共享書香 聯校中區區文學散步

本年度的文學散步別開生面,首次與友校合作,舉辦「聯校中西區文學散步」。是次合辦的學校為何文田女校德蘭中學,參加者由中三至中五不等。來自兩校的同學連同老師超過30人,於2016年4月30日走訪中西區的各文學景點,感受作家筆下的中西區。

卜公花園、醫學博物館

在舊式住宅之中,卜公花園成了區內少有的綠化空間。此公園是以港督卜力而命名,原來這裡曾經是太平山街一帶華人聚居的木屋,由於居住環境擠迫,當時又沒有衛生意識,甚至人畜共住,於是於1894年起爆發大規模鼠疫,使大量人口死亡,三份一人口逃離香港。而附近的醫學博物館,當時就是香港細菌學檢驗所,用以查究解決鼠疫的方法。最後政府將所有木屋拆卸,開闢成公園。因此可以說,卜公花園和醫學博物館,都是香港醫護衛生發展史的重要印證。

香港中華基督教青年會

香港中華基督教青年會創辦於1901年,而位於必列者士街51號的中央會所,啟用於1918年,更是本港首間有室內運動場、游泳池的活動中心,提供當時最先進的康體設施。獨特的紅磚外牆形象鮮明,成為不少電影及電視節目的拍攝外景。1927年,魯迅先生應邀來港,更曾經在此向當時的知識青年發表演講呢!

位於青年會旁的樓梯街,下起皇后大道中,上至堅道, 是一條原本由花崗石台階鋪成的斜街。街道貫穿了不少 歷史建築古蹟,包括青年會、公理堂大廈暨教會、香港 醫學博物館、文武廟等。在樓梯街走一趟,就仿如經歷 了一次歷史之旅。

高街

說起高街,對於不少老香港而言一定會聯想到「高街鬼屋」的傳說。座落於高街一端、建於1892年的高街精神病院,起初為國家醫院外籍護士宿舍,後改為女子精神病院。據說精神病人經常狂叫,早已使附近居民毛骨悚然。二次大戰時,香港淪陷,日軍更以此建築物作為刑場,而位於醫院前面的佐治五世公園則曾經是一個亂葬崗。戰後繼續成為精神病院,加上當時社會對精神病人的偏見,更多的靈異傳聞不脛而走。時至今日此處已改建為西營盤社區綜合大樓,然而高街鬼屋的故事,仍成為不少作家筆下的都市趣聞。

香港大學

文學散步的最後一站來到了這所創於1911年的百年 學府——香港大學。當日參與的同學和老師在這裡 總結行程感受,而這所歷史悠久的學府,有淵源的 文人作家也不少呢!由張愛玲、朱光潛、許地山到 胡燕青、黃霑、林夕到天航、林詠琛,培養了一代 又一代的文化人,不知今天我們一伙同學來到,又 能否感受到這裡的文化底蘊呢?

「克荔門婷興奮地告訴我這一段故事的時候,我正在圖書館裡閱讀馬卡德耐爵士出使中國謁見乾隆的記載。那烏木長台;那影沉沉的書架子;那略帶一些冷香的書卷氣;那些大臣的奏章;那象牙簽,錦套子裡裝著的清代禮服五色圖版……」

張愛玲《第二爐香》

透過親身體會、與同學交流討論、由老師引導之下得到啟發,參與的同學都獲益良多,寫成一篇又一篇的創作。閱讀推廣組已將同學的作品結集成文集,並附有當日活動花絮,準備向全體同學派發。大家不妨細心欣賞同學的作品,更誠邀你來年的參與!

Best Places to Read

Eslite

In 1989, a Taiwanese businessman decided to open a bookstore which was full of arts and humanities. Eslite opened in a small space outside of Taipei. Wu, the businessman, has demonstrated a sophisticated, culturally diverse life. Today, the Eslite brand is a chain of bookstores, an art gallery, a theatre and performance forum. In some of the stores, you could find gourmet dining, wine, food and professional kitchen equipment. The Hong Kong Eslite outpost is no exception: with three floors and more than 40,000 square feet, the mega-store is a fairyland of printed contributions, offering hundreds of thousands of titles over one-third of which are English language. From fashion to religion, interior design to photography, and with a dose of business and general trade titles in the mix, Eslite will make a book-lover's heart sing – and feet ache. You won't want to miss the many pop-up shops on hand offering handicrafts and design-related products, among them soaps, teas, jewellery, wine accessories, and leather-goods. Cityplaza also has announced the opening of Eslite Spectrum Hong Kong at Cityplaza shopping mall in Taikoo in early 2016, taking over two stories of floor area spanning over 49,000 square feet in the mall. The lifestyle bookstore will further enhance Cityplaza's trade mix and quality retail offerings.

At a glance it might seem that the reading culture hong Kong is non-existent and that people would rather disengage into a game of Pokemon Go rather than literature. But if you dig deeper you will discover that Hong Kong's inclination for books and reading is far from dead. It's actually emerging and this city has a lot to offer in terms of the quantity and selection when it comes to its bookstores, mainstream and speciality.

Page One

Although Page One bills itself as an expert in art and design titles, it's remarkably well-rounded. Beyond the wall dedicated to fashion books and the dedicated areas for viewing illustrated books, readers can find all general fiction and nonfiction, including the very latest releases. Page One is also a publisher with an editorial team based in Singapore, which not only prints and sells existing titles, but also gets and develops its own projects, for the most part within the architecture and design group. A user-friendly My One membership rewards programme with options for both adults and kids - offers discounts and benefits for regular customers. Page One outposts can be found in Kowloon Tong, Harbour City, Terminals 1 and 2 of Hong Kong International Airport, as well as in Taipei and across Mainland China. The new two-story bookstore and lifestyle haven at Harbour City covers a total area of more than 35,000 square feet and includes a massive selection of books, restaurant, bakery, outdoor terrace and huge kids area.

Go West and Chill

Its glassy design allows lots of sunlight in the café. Despite of its tiny size, its serve no less than pasta and coffee, which are perfect to go with some short stories. Cookies and desserts are also served on the premise. Outdoor seats are only available when the inside of it is filled. The surrounding galleries and bookstores are certainly the cream of crop.

Hidden in the big basement of the above fashion store which sells plenty of cool and vintage clothes and shoes, the café, or better described as a bar, serves beer and soft drinks. Isn't it interesting to be reading next to an old-fashioned shave while feeling the wore-out leather of a onesitter?

The café is a popular place for film-making because of its unique location. Located at a dead end, the name of it seems perfect and natural. At weekends, people with trendy clothes sit in the sun to enjoy their books and coffee. A few university students with a camera strap draping over their shoulders and more modest clothes may be seen there as the café is near the University of Hong Kong. Customers there may also hear kids' yelling as Blake Garden is just opposite the shop.

Situated in one of the classiest shopping mall, the café is easy to reach. It sells range of reasonably-priced pastry and coffee. Its outdoor section is a best place for the customers to have their piece of cake and savour pages of their favourite novels. While outdoor is best for sun lovers, indoor provides a cozy environment. It is easy to forget about time with a book in hand on a Saturday afternoon here.

Some say there is nothing nicer than sharing a book with a friend. I share the same belief and I usually enjoy doing sharing a mesmerizing story in hand. It makes me feel secure. Nonetheless, sharing empty-handed can be as meaningful.

Reading can be most appropriately compared to as a lifelong quest for knowledge and pleasure. Imagine yourself as a new-born baby. You hear the first sound in your life. Your nose sniffs around to take in the first smell. Your limbs move in order to get to know the world around you. They grip anything available in the surroundings. No babies can resist the temptation to experience and understand the brand new world. It is so fresh, so exciting and it is simply too tempting to resist. Sometime later, you learn to muster meaningless sound and not long after, the first language. As a Hong Konger, we live in a place with a colonial background. Under the British governance, we share a long history with many other colonies as a bilingual community. The Chinese translation of 'taxi', 'bus', 'humour' and 'size' shows the language's influence on us before we even know that they are the literal translation from English.

Having been 'loaned' may suggest our weakness in war, but the weakness in the past turns out favour us in the modern world. It provided the locals with an opportunity to learn an international language; thus, most of us have been nurtured in a bilingual environment as early as the age of two, or latest three. This is as well the very same age when we learnt to speak our mother language, and it is not long before we set sailing our English reading journey. All of the boys in our school have been

learning English for more than ten years, sadly though, some of them still find it a mountain too high for them to climb. Therefore, they refrain from reading English and gradually the language becomes distant to them. Sometimes, they become more and more desperate and unmotivated as they advance in school. Eventually, reading English books becomes seemingly inaccessible to them. Their reading journey ends prematurely.

Isn't it a pity? To me, knowing two languages but using only one of them is like blocking one of our eyes with our hand. It is watching only one TV channel out of two available or choosing between two choices while the MC question offers four. It is also unimaginable for me that people give up on a skill that they have been learning since childhood without trying to overcome the obstacles which are often put under microscope. I suggest students start with short reading passages or some topics which interest them, for example current issues or works of a certain genre.

Reading is a journey. It is like travelling around the globe in a big yacht. Reading is an enjoyment. It is like delving into a hot spring in winter. Reading is also a mission. I enjoy the fulfillment upon the completion of it. Or, reading is the combination of all of these; it is like going on a continual lifelong quest.

Book Sharing - Blood Memory

Blood Memory Author: Greg Iles

Blood memory is a novel written by Greg Iles, who finds great success in writing thrillers. The book describes a girl, Cat, who was raised in a prestigious family in town. She works as a forensic scientist and she is after a serial killer who has killed six men in consecutive. With a secret of hers, Cat is trying her best to work with people in the police force to uncover the truth behind the mysterious homicide.

During the investigation, Malik, a psychiatrist, whose profession is in repressed memory, who suspected as the mastermind behind the case. Cat wants to arrest Malik so much that she has to risk confronting her unbearable repressed past which she thought as a recurring dream for years.

When the case has been revealed by the FBI and is about to come to conclusion, the story takes a surprising twist. Malik is murdered. But the more the murderer wants to hide himself, the more Cat feels her closeness with him. By closely

looking into different evidences available and her dream, she decides that the homicide has a connection with her own family, once prestigious but is about to turn ugly. However, as she delves into the investigation more, Cat finds her every move is under surveillance. This pushes her to the limit and she even starts to question her father's love for her in her childhood.

When Cat and her loving partner finally unfold the whole story at the end, the truth is almost too breath-taking to take in. This shows Greg's brilliant skills and unbelievable talents. I am sure there will be difficult words and phrases for students to understand. Nonetheless, it is a must-read. Student may start slowly to get hold of the background of the story and connection between several characters at the beginning and they will pick up speed later in the book, and they will find it unputdownable.
